

1974

Sold EXCLUSIVELY by Sears in 1974 ONLY. The Sears catalog number was 49-58043. The color is the same Euclid green Tonka used on the regular issue Model 3950 mixer. The key identifying difference between the 1974 Sears (Tonka) issue and the Tonka Model 3950 of 1974 was the single rear axle on the Sears mixer good for 4 tires on the road versus the tandem arrangement on the Tonka mixer that put 6 tires to the pavement.
